

MEDIA RELEASE

Day & Ross Named one of the Top 50 Companies for Women to Work for in Transportation

HARTLAND, NB. November 19, 2018: Day & Ross is proud to be on [the list](#) of the **Top 50 Companies for Women to Work For in Transportation** named by the Women in Trucking Association. Nearly 150 nominations were received, and more than 7,000 votes were cast to identify the companies named to the list. Respondents were asked to rate their organization in a variety of areas including: competitive compensation and benefits; flexible hours and work requirements; professional development programs; and career advancement opportunities.

"Our presence on this list is recognition of our efforts to foster a culture where all employees belong and reach their full potential," said **William Doherty, CEO**. *"This recognition as a top workplace for women serves as great motivation to continue reinforcing our position as a company that cares about its people. Attracting and supporting a diverse workforce and helping them thrive in their careers is critical to our growth and our success across the organization."*
